

Given the current public health crisis, various emergency declarations, and in accordance with the provisions of Sed. 610.020, RSMo., the Parks and Trails Commission recognizes that it would be dangerous and impractical, if not impossible, for its meeting to be physically accessible to the public and required attendees in the usual manner. The commission also recognizes the need for the public's business to be attended to during this unprecedented situation. In order to balance the need for continuity of government with protection of the health and safety of attendees, this meeting of the Parks and Trails Commission will not be open to public participation and will take place via videoconference. The meeting will be made available in real time by live stream. To tune in, please click the "WATCH" banner on our homepage at www.town-and-country.org on January 19, 2021 at 6:30 PM.
